Dear Frank:

Further to our phone conversation of last week, attached is a list of fifteen additional recommended street names beginning with the letter "D". If you have any questions on them, please give me a call.

When I reviewed your list, I noticed that the name "Domoney" had been misspelled as "Damoney", and "Dominique" had been misspelled as "Domanique". Could you please ensure that these two names are corrected?

Further to our earlier conversation regarding "A" names for the Anders Park subdivision, I was asked on Saturday if the name "Alain" had been used yet. It had been included on the most recent supplementary list of names which we sent you.

If I can be of any further help, or if you have any questions or concerns, please feel free to give me a call.

Yours sincerely,

Michael Dawe
City Archivist
