Dear Fred,

Please don't think
I'm mad at you just
because I didn't write
sooner I haven't forgot-
ten that I was worried
& yet could not get
any answer to my
letter months & months
ago.

I'm sorry you have
some trouble of your
own & hope all will

come) right.

Your first note followed me here & I got it a day or two ago & today your other one I am working in the new Kresges store here & we have been too busy to do much as it only opened on the 15th of this month.

Things got stuck at the Victoria store so I came here for the opening. I don't know how it will work out as I'm afraid

wages are lower &
living higher.

If you are ever
in Edmonton I'm in
the art^{goods} counter, but
how long for I can't
say as we are all
on trial & he's a hard
boss to work for.

Hope everything goes
O.K. for you.

I have met Mrs Morris
here also Bertha Young
was in the store

as ever

Hilda.
