I. CORRESPONDENCE

- I.1. Rumble in Red Deer - Request from Red Deer Boxing Club to Appoint
External Boxing Commission - Letter Dated April 1, 2011
Report for Council's Consideration

(Agenda Pages 1 – 2)

Legislative & Governance Services

DATE: April 1, 2011
TO: City Manager
FROM: Legislative & Governance Services Manager
SUBJECT: Rumble in Red Deer – Request to Appoint External Boxing Commission

Background

The City of Red Deer does not have a bylaw establishing a Boxing & Wrestling Commission. At several points over the last 15 years, Council has considered this issue and has determined that instead of establishing a Commission and assuming any potential liability, The City would instead enable other Commissions to provide oversight to events held in Red Deer. In 1993, 1998 and 2003, Council passed resolutions appointing the Edmonton Boxing & Wrestling Commission to supervise a specific boxing event. Since that time however, it has been brought to our attention that there are several Commissions in addition to Edmonton's that could fulfill this role and the resolution that is currently in place may limit other Commissions from providing event oversight in Red Deer.

Legal

Legal counsel is currently preparing a report that will respond to the various interests of combative sports groups and the Commissions that provide oversight. This report is expected within the next few months.

Discussion

Attached to this report is a request from the Red Deer Boxing Club in which they request Council's endorsement of their use of the Taber Commission. Because the event is scheduled for May 14th, this request needs to be considered in isolation from the above noted report being provided for Council.

Recommendation

That Council pass a resolution indicating it has no objection to the Taber Commission supervising the Rumble in Red Deer boxing event to be held in Red Deer on May 14, 2011.

Re: Rumble In Red Deer
Saturday May 14, 2011

Dear Council members,

The Red Deer Boxing Club has been a non-profit organization serving the Red Deer and area communities for the last twenty-three years. We are a highly youth oriented organization and endeavour to promote strong values while we teach the sport of Olympic style amateur boxing. Without doubt we have invested in the lives of hundreds of young people and continue to do so.

In 2009 we started our first big annual boxing event called the Rumble In Red Deer. The Rumble has evolved into the most well attended boxing event in Alberta. It is a high classed event and a special part of it is the fact that we call it the '*Fight for the Cure*'. Although we aim to raise funds for our volunteer run club, we also partner with Young Adult Cancer Canada and have helped raise over \$30,000 for this great cause. This cause supports one our long time members, a local RCMP Officer and our club president's daughter, Jamie Carswell. Jamie battled cancer for years and literally had to fight for her life. There are many other young people like her and we try to do our part to help. After-all, we all know someone battling this terrible disease.

This year we desire to run our third event and feature both professional and amateur boxing. Our main event will feature former Red Deer boxer and now NABA Super Featherweight Champion Arash Usmanee. Arash is a rising star in the Canadian and International boxing circles and he is excited to come here to compete in front of his family and friends. If not for the fact that he was raised in Red Deer, and due to being a member at the Red Deer Boxing Club for many years, we could not get the attention of such a high calibre boxer. Arash was five time Canadian National Champion while a member of our club. People will come from all over Alberta to see him box.

The point of this letter is that we endeavour to do things very professionally and with integrity. As you are aware, pro events require a commission to oversee them. We know that the local MMA events use a commission that is not associated with Red Deer due to their being no commission here. There is also no Provincial commission like some of the other Provinces have established. Due to this we have had to request the assistance of an out of town commission. Our desire is to use a boxing commission that is approved by the Canadian Boxing Federation, is experienced with the sport of boxing and professional in every regard. Considering this, we have secured the Taber commission headed up by Ken Billingham and they have agreed to come and oversee our show. Parts of their requirements are that I inform the Red Deer City Council and ask if you would acknowledge that this is ok with the city of Red Deer.

Due to the time sensitivity of this issue, could City Council or designate please provide response as soon as possible.

Thank-you. On behalf of the Red Deer Boxing Club,

I just heard from the Red Deer Boxing Club and they believe that a resolution saying The City 'has no objection' is sufficient. Further, apparently the Canadian Boxing Association has already approved Taber overseeing this event so while Steve (Boxing Assoc) was unaware if their bylaw has been changed in any way - it is meeting the federal association's requirements.

Subject: Resolution re Red Deer Boxing Club
Importance: High

Hi Frieda:

As discussed, we have doubts as to whether or not a resolution by the City has any legal effect upon the Taber Commission, for two reasons:

1. The wording of the Town of Taber Bylaw limits their jurisdiction to events within the Town of Taber.
2. The powers of a municipality under MGA s. 7 are to be exercised by bylaw, not by resolution.

Despite that, it is our view that the City can certainly confirm by resolution that it has no objection to the event being hosted by or authorized by the Town of Taber Combative Sports Commission.

I recommend that you contact the Red Deer Boxing Club or the Taber Commission directly to see what sort of resolution they want: will they accept a "no objection" resolution or do they need an "authorization" resolution ?

Subject: Urgent - Taber Commission oversight to a Boxing event

Attached for your information is a letter received from the Red Deer Boxing Club request Council's support to the Taber Commission overseeing an event in Red Deer on May 14th. Because of the timeline, this report would need to be considered by Council right away to permit the Red Deer Club to proceed. I know that you're working on a larger report following requests from River Cree and Edmonton, however, I'm wondering what your opinion would be to handling this request as a 'one off' until your report is ready? I've attached the letter from the Boxing Club and the proposed report that could be presented to Council by way of an Additional Agenda item. At this time I don't know what the impacts to this event would be if we wait to consider this item on April 18th. We need to hear from you by 10 am Monday for this to go on the April 4th agenda.
