

# MG 261 Red Deer & District Museum Society fonds

## Scope and Content

Fonds consists of the administrative and operational records created, accumulated, and used by the Red Deer & District Museum Society during their activities programming and running the Red Deer Museum + Art Gallery.

The types of records include administrative and organizational documents. This includes committee reports, minutes, policies, newsletters, correspondence, grant reports, annual reports and financial statements, architectural plans for the Museum building, Heritage Community Foundation information, transcripts, audio and video recordings, and permission agreements for projects (including Gay Life Project and International Women's Exchange Program / SUCH program, and the Oral History project), exhibit posters and photographs (including Century Books of Honour), staff photographs, awards certificates, and the World's Most Boring Postcard.

Records also include items accumulated in the course of museum activities, including Red Deer Public School annual education reports accumulated through the Historica School Fairs activities, the Friends of Sunnybrook Farm Museum society, the Red Deer Native Friendship Centre, Heritage Canada, Red Deer & District Archives, and CARMN.

No series assignment has been applied to the records in this fonds.

## Creator Information

**Authority Name** Red Deer and District Museum Society

**Authority** The Red Deer & District Museum Society began as a Steering Committee of

**History** the Central Alberta Pioneers' and Old Timers' Association with a Museum space in the basement of the Recreation Centre. The Society focused on building a collection, hiring staff for the Red Deer Museum, and on building a permanent museum, opening the new facility in 1978.

In 1983, an addition provided the Atrium, Stewart Room, two galleries, a second reserve storage room and enlargement of the Archives. Subsequently, in 1993 and 1994, an additional storage area was constructed for the Museum and Archives collections.

The Society has up to twelve volunteer Board members and currently uses a Policy Governance model to govern the Red Deer Museum + Art Gallery.
