

Very much regret leaving
Canada without seeing
the West, but am leaving
on hopes. Feel pretty
bad at leaving Quilph,
but I guess I'll get over
it. Don't forget to write
dear boy, haven't much time
but I can't forget you. Good luck, and
don't forget to write
Your. etc

CORRESPONDENCE HERE

Feeling pretty blue
at leaving the job
behind, I'll bet I
feel as blue as you
did a few days
ago.
