### Creator Information

**Authority Name** Stephan G. Stephansson Icelandic Society

**Authority History** Established in 1974 and named after Icelandic-Canadian poet Stephan G. Stephansson, born on October 3, 1953. He and his family emigrated to Wisconsin in 1873 and moved to North Dakota in 1879 before settling in Markerville, Alberta in 1889. He became a founder who helped oversee the building of the school and first secretary of the creamery which was the commercial center of the town. He was a prolific writer producing over 3,000 pages of poetry, letters, articles, and short stories.

The Icelandic Society has undertaken the restoration of several structures in and around Markerville, most prominently the former creamery which operates as a museum and coffee shop, Stephansson House, and Fensala Hall which is used to host events.
