Dear Sir:

Re: Edgar Industrial Area  
Proposed Land Use Amendment 2672/U88

The area under consideration ( $\pm$  32 ha) is located south of Highway 11A and west of 64th Avenue. The area is designated industrial area in the Area Structure Plan and the City is trying to market the land for industrial uses.

The area is presently designated A1 or Future Urban Development. We are recommending that City Council give first reading to the attached amending by-law to designate the area from A1 to I1 or Industrial Area.

Yours truly,

D. Rouhi, MCIP  
SENIOR PLANNER  
CITY PLANNING SECTION  
DR/cc

Commissioners' Comments

We would concur that 1st reading of the Land Use Amendment be given, following which a public hearing will be held in 4 weeks.

"R.J. MCGHEE"  
Mayor

RE: CENOTAPH

---

3.

Our office has received a request from the Red Deer Legion to adjust the plaques on the Cenotaph located on Ross Street to include reference to the Korean War.

Our office is in support of the request and would recommend Council approve same.

"R.J. MCGHEE"  
Mayor

Attention: Mr. R. Frisken

Dear Sir:

RE: CENOTAPH/REFERENCE TO KOREAN WAR

Your request through the Mayor's Office on behalf of the Royal Canadian Legion to incorporate on the Ross Street Cenotaph reference to the Korean War was considered at the Council meeting of October 17, 1988, and at which meeting, Council passed the following motion.

"RESOLVED that Council of The City of Red Deer, having considered report from Mayor McGhee dated October 13, 1988, re: Cenotaph, hereby approve the request of The Red Deer Legion to make reference to the Korean War on the plaques of the Cenotaph located on Ross Street, with all costs associated with this change being the responsibility of the Red Deer Legion, and as presented to Council October 17, 1988."

The decision of Council in this instance is submitted for your information. We trust that the Royal Canadian Legion will engage a quality craftsman to undertake the work in this instance. We would also request that the Engineering Department be notified of the date so as to ensure appropriate traffic control measures are in place to protect the workers and public at large.

Trusting you will find this satisfactory.

Sincerely,

C. Sevcik
